I have updated his district director with the latest so we should be good for tonight. Good idea if we can update again tomorrow am.

Ron,  
Do you want me to make the call, or give you info so you can make the call.

Ron,

Sorry I missed your call but understand you talked to Joan. I'm flying to Durango tomorrow morning and should have better info to share once I get on the ground. Let me know if you need anything, otherwise I will check back with you tomorrow.
